Selectmen's Meeting
1:00 pm – Cow Island

Friday, June 24, 2016

MINUTES

Present: Chairman Carolyn Sundquist, Selectman Lloyd Wood, Selectman Bill Marcussen, 4 Conservation Commission members, 1 Milfoil Committee member and 3 members of the public.

The Selectmen walked the property and deemed that it is a nice property that needs some sprucing up to make it more presentable, particularly the beach area.

Selectman Marcussen will review the property with Seth Kassels, of Camp Belknap, at a later date to review improvements, etc.

The meeting adjourned at approximately 2:45 pm.

Respectfully submitted,
Karen Koch,
Administrative Secretary on behalf of Chairman Sundquist
