The Trustees will contact council to see if the creation of these perpetual care funds gives us permission to maintain these cemeteries without further legal actions.

The Trustees will also ask council about a Warrant article to create a trustfund from the sale of Rights of Burial to be used for general cemetery maintenance.

Review of a revised set of cemetery regulations resulted in several additions and modifications.

It was agreed that a discussion of fees with the Selectmen was in order.

The next meeting will be Sept 6, 2016

Public input is always welcome.

Meeting adjourned at 8PM.
