

## Master Plan Steering Committee Meeting

4 P.M. Wednesday

November 10, 2021

### MINUTES

Members Present: Carol Bush, Barbara Maidhof, and Gary Qua

Staff Consultants Present: Carol Ogilvie and Ivy Vann

#### I. Review of Draft Plan

The Committee first had a discussion about maps for the Plan. Carol O. reported that she had contacted CAI to discuss options and costs. She was informed that for an Existing Land Use Map, the cost would likely be in the \$1500 - \$2000 range. Gary will present this to the Planning Board and ask for approval of the funds.

The Committee then went through the draft Plan page by page, noting edits and corrections. Gary felt the Public Outreach section needed strengthening and he had some text he will send to Carol O. to include.

#### II. Next Meeting

To Be Determined

There being no further business, Gary adjourned the meeting at 5:30 P.M.

Respectfully submitted,

Carol Ogilvie
